This simple and straightforward setting of the Lord's Prayer is an exercise in arrhythmic notation. The idea is for the performers to execute it in a natural speech rhythm rather than in a fixed metre. The piece was written for Dr. Marian E. Dolan as a sort of bonus track to *Kyrie in memoriam*, which she commissioned from me while teaching at the Candler School of Theology at Emory University in Atlanta.

Tämä yksinkertainen ja suoraviivainen Isä meidän -rukous on eräänlainen vapaarytmisyysharjoitelma. Se tulee esittää luontevassa puherytmissä eikä ennalta määrätyn metriikan mukaan. Teos syntyi Marian E. Dolanille eräänlaisena bonusraitana teokselle *Kyrie in memoriam*, jonka hän tilasi minulta ollessaan opettajana Candlerin teologisessa tiedekunnassa Emory-yliopistossa Atlantassa.
